**Due to snow days, two days were added (June 12 & 13) to the school year, and the undergraduate exam days were adjusted accordingly. Additional snow days would result in further extension of the school year.

Exams Days delayed or cancelled will resume where the interruption occurred.

It is suggested that parents avoid scheduling special events, vacations, camps, etc. immediately following the last day of school in the event it is necessary to extend the school year due to days lost because of inclement weather.
