Miss Paratchek *Algebra 2B*

2020-2021

I. Materials Needed In Class Daily

Notebook (Binder or Folder)
Pencils & Pens
Paper **Assignment Folder**

II. Anticipated Units of Study

Text: *Algebra 2*, *©2007* *McDougal Littell*

Chapter 4 – Quadratic Functions & Factoring
Chapter 5 – Polynomials & Polynomial Functions
Chapter 6 – Rational Exponents & Radical Functions
Chapter 7 – Exponential & Logarithmic Functions
Chapter 8 – Rational Functions
Chapter 10 – Counting Methods & Probability
Chapter 9 – Quadratic Relations & Conic Sections

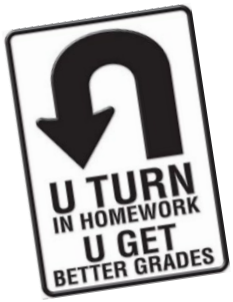
The curriculum for this content area is no less than our established curriculum for our traditional 180 days of face to face instruction.

You cannot escape the responisibility of tomorrow by evading it today.

~Abraham Lincoln

III. Grading Procedure

1. **Homework:**



- Assignments will be listed on the weekly list.
- Complete and grade assignments online as indicated on the checklist by the due date.
  - For dates that are a class meeting day then you are expected to have it completed *before* class starts.
- Be sure to put your name and page number on assignments to be submitted in your folder to ensure credit will be awarded.

2. **Notes:**
   - Expect to take class notes frequently **outside** of class. These are a part of the virtual portion of this class and class time will then be devoted to clarification and practice.
   - BRING YOUR NOTEBOOK to class every day.
   - Pictures of completed notes will be submitted via Teams *for credit* so be sure to do them by the due date.

3. **Quizzes:** Expect that we will take small quizzes one or both days each week. Quizzes will be small and last for only a small portion of the class. Longer quizzes or tests will be given as our schedule allows.

4. **Grade Weighting**

Week's Work (Folder submissions, Delta Math & Notes)	**10%**
Homework	**20%**
Quizzes & Tests	**70%**

Late Assignments Are NOT Accepted For Credit!

Classroom Rules (In addition to rules set forth in the Student Handbook)

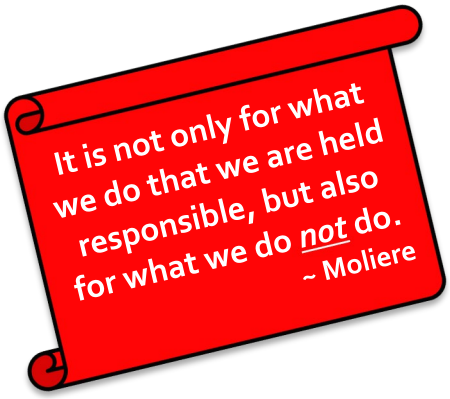
1. Please observe common courtesy at all times.
2. **BE AWAKE & ALERT IN CLASS.**
3. Always sit in your assigned seat.
4. **Passes will be given only with your passbook, an available pass and at MY DISCRETION**.
5. Do not move any classroom furniture without the permission of the teacher.
   ***** This includes windows, desks, fans, etc.***
6. **Water is allowed in class – in a CLEAR plastic bottle. No other drinking, eating (including suckers or candy), or gum chewing will be allowed in class.**
7. No cell phones or electronic device of any kind, hats, coats, book bags, backpacks, etc. are allowed in class.

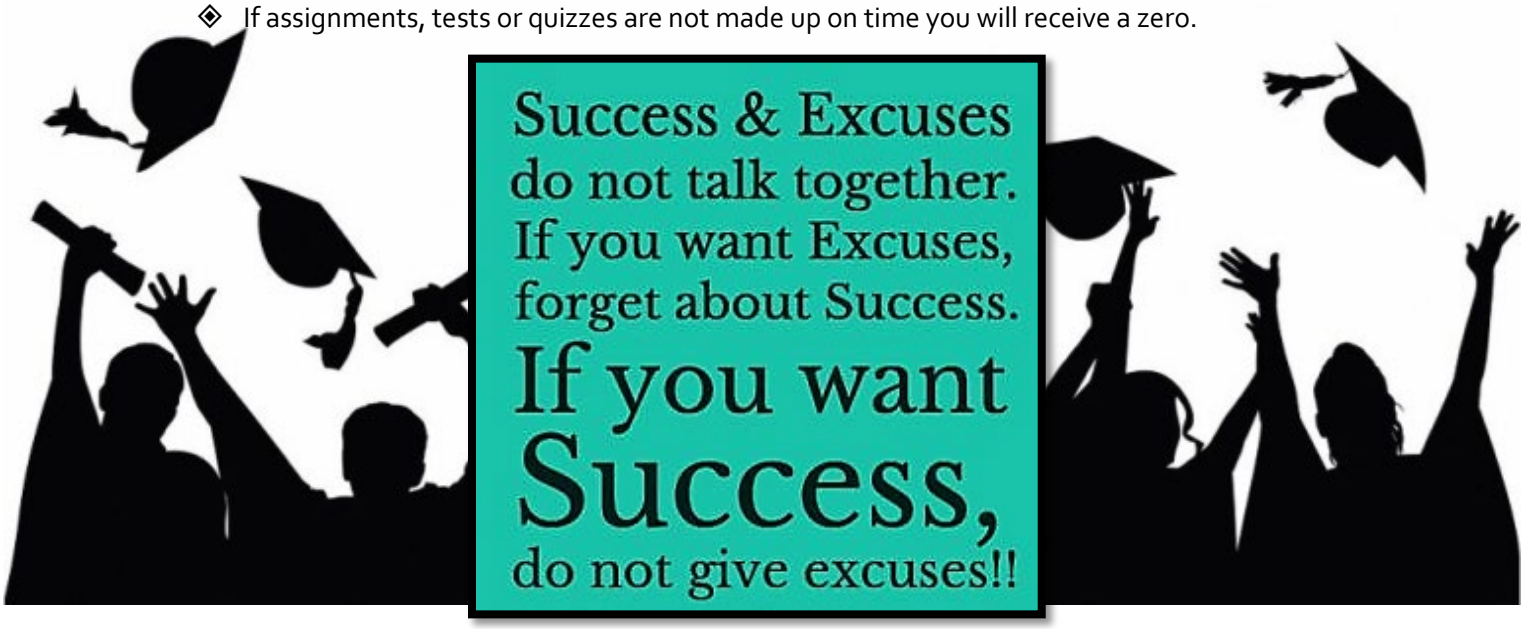
IV. Absences & Make-Up Work

(This will apply when we return to full-time face-to-face instruction.)

Partial Day Absence: You must bring in your homework and pick up your new assignment for the day.

Pre-Excused Absences: (See Excused Absences in the Student Handbook) See me immediately – work is due to me and tests must be taken ***PRIOR*** to the absence. ***This includes (but is not limited to) hunting,***
vacations, field trips, athletics, meetings, etc.



Making Up Work:


- One day is allowed for each day's absence to complete make-up work. (This includes tests, quizzes and pop quizzes.)
- Getting assignments is **your responsibility**. *The entire folder packet of information will be posted in Teams in addition to the paper copy you receive.*
- Grade your assignment using the **online link**, **mark the top of your paper** as graded online and then **place it in the correct folder** on the wall. (Folders are marked by hour). **All make-up assignments MUST have a NAME & PAGE NUMBER!**
- **If you miss a test review you will still take the test with the rest of the class.**
- **Missed tests or quizzes must be scheduled with me on the day you return to school**.
  - If the only day you missed was a review day and/or the test day, then you WILL be expected to take the test/quiz **ON THE DAY YOU RETURN**.
- If assignments, tests or quizzes are not made up on time you will receive a zero.
