2009-2010 School Year

Dear Parent/Guardian

The Kroger Co. has generously started a "Community Rewards Program" that our Middle School Student Council has participated in for the last few years. We have chosen this fundraiser because of its convenience, practicality, and ease – no more selling door to door! Anyone who shops at Kroger (EVEN SOMETIMES) and already has a "Kroger Plus Card" (the card the cashier swipes for your food and gas discounts) can help the Student Council and School earn money. All you need to do is have friends and family go to [www.krogercommunityrewards.com](http://www.krogercommunityrewards.com) and **ASAP**. Once there, click on "Sign In/Register" under "Welcome!" and create your account (email address, password, "Plus Card" number, etc.), once your account is set up click on "Community Rewards" and type in "Ida Middle School Student Council" for our organization to receive credit. IF you primarily shop in Michigan stores, our organization # is 82257, if you primarily shop in Ohio store – including the Lambertville store, our organization # is 82424. You will also be able to see all your savings and gas credits on line, as well as weekly coupons! It's very easy, just enroll and show the cashier your "Plus Card" when shopping and the school will automatically receive a portion of the money spent each month!

If you sign up with Kroger on the website, you will see a confirmation at the bottom of your receipt (it'll say, "At your request, Kroger is donating to Ida Middle School Student Council", within a few days of signing up) and as always, they do not sell personal information to outside companies. If you do not have a "Kroger Plus Card", you can sign up for one at the store for free if you chose.

Thanks again for your support!

Jennifer Butz, Student Council Advisor
