Section 105c Opt-In Resolution

WHEREAS, Section 105c of the State School Aid Act of 1979, as amended by Public Act 297 of 2000, permitted school districts to accept schools of choice enrollment applications by nonresident applicants residing in a district located in a contiguous intermediate school district; and,

WHEREAS, by official action taken at its March 14, 2022 meeting, this Board of Education determined to accept applications under §105c for enrollment by nonresident applicants residing in a district located in a contiguous intermediate school district for the 2022-2023 school year; and,

WHEREAS, the District must comply with the provisions of §105c of the State School Aid Act in order to avoid a state school aid penalty.

Now therefore be it resolved that the School District will accept applications under §105c for enrollment by nonresident applicants residing in a district located in a contiguous intermediate school district for the 2022-2023 school
