### **District Annual Education Report (AER) Cover Letter**

February 14, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Ida Public School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact David Eack or Sarah Ash for help if you need assistance.

The District AER is available for you to review electronically by visiting the following website **[https://www.mischooldata.org/annual-education-report-1?Common\\_Locations=1-D,1244,102,0](https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-D,1244,102,0)**, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

#### **Student Assessment Data**

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

#### **School Accountability Data**

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales
- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

#### **Educator Qualification Data**

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

### **NAEP Data (National Assessment of Educational Progress)**

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

### **Civil Rights Data**

- Provides information on school quality, climate, and safety

Review the table below listing our schools. For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Ida Elementary School	None	
Ida Middle School	None	
Ida High School	None	

I would like to congratulate the students, parents and staff for making learning a priority at Ida Public Schools. We are proud of the accomplishments of our students and you can take great pride in their work and their efforts. Their student performance on these standardized assessments are also a reflection of the dedicated and caring parents and staff that works with them each day, we could not do it without you.

To raise achievement and close the gaps that may be present, our research-based actions include using a tiered approach to instruction; aligning and monitoring curriculum; effective leadership; engaging parents and community; and continually utilizing data to analyze individual and curricular gaps to determine the best supports for our students. For more information on any of these actions or to get involved in your child's school and/or the district, contact your child's principal.

Thank you for your ongoing support of the children in our community. Please feel free to contact me or any of our professional staff to discuss any questions you might have.

Sincerely,

David Eack  
Ida Schools Superintendent
