

Holding and Cooking Instructions

Cheese pizza:

Holding – Please place in freezer or refrigerator (no longer than 5-7 days) as soon as you receive the product.

Basic Preparation – For best results, cook from frozen state. Place wrapped pizza on a sheet pan (if going in a regular oven). Conventional oven: Bake 400 for 20-25 minutes (if frozen).

Microwave oven – Cook 2-3 minutes (if frozen). Product will be HOT...let cool before eating. For Food safety and quality, cook before eating to an internal temperature of 160 degrees F. Due to variances in oven regulators, and number of pizzas in an oven cooking time and temperature may require adjustments.
