

## Reasons for Consideration

- Minimal cost for families
- Earn your diploma along with a certificate, associate's degree, or up to 60 transferable credits
- Numerous STEM related programs of study
- Still able to participate in sports, dances, and extra-curricular activities (not 5<sup>th</sup> year)
- Walk at graduation with your current classmates
- Gives you the college experience

## Requirements

- Applications must be submitted before Junior year
- A program of study at MCCC must be chosen
- Must commit to full 5 years
- Students must have personal transportation to the college(not provided by Ida)
- Core classes must be completed at Ida
- Students are responsible for signing up for college classes, buying the necessary books, and turning in attendance forms
- Students may not participate in IHS activities their 5<sup>th</sup> year

## Ida Early Middle College

## Associate Degrees

- Accounting
- Administrative Professional
- Application Software Specialist
- Automotive Engineering Technology
- Business Management
- Chemistry
- Computer Information Systems
  1. Accounting/CIS
  2. Computer Programing
  3. Computer Science
  4. Information Assurance & Security
  5. PC Support Technician
  6. System Administration Specialist
  7. Web Design
  8. Web Development
- Construction Management Technology
- Criminal Justice/Law Enforcement
- Culinary Skills and Management
- Early Childhood Education
- Electronics and Computer Technology
- Fine Arts
- General Technology
- Graphic Design
- Industrial Electricity/Electronics
- Industrial Management
- Mechanical Design Technology
- Mechanical Engineering Technology
- Metrology Technology
- Nuclear Engineering Technology
- Nursing (Registered)
- Product and Process Technology
- Quality Systems Technology
- Respiratory Therapy
- Teaching Paraprofessional
- Welding Technology

*“Education is the  
most powerful  
weapon which you  
can use to change  
the world”*

*– Nelson Mandela*

## Certificate Programs

- Accounting
- Administrative Office Assistant
- Administrative Office Specialist
- Application Software Specialist
- American Welding Certification
- Automotive Engineering Technology
- Basic Quality Technician
- Computer Information Systems
  1. Application Development
  2. Database Application Development
  3. PC Support Technician
  4. System Support Specialist
  5. Web Design
  6. Web Development
- Construction Management Tech
- Culinary Skills and Management
- Early Childhood Development
- Graphic Design
  1. Digital Media
  2. Illustration
- Mechanical Design Technology
- Metrology Technology
- Non-Destructive Testing
- Nursing (Practical)
- Phlebotomy
- Product and Process Technology
- Quality Systems Technology
- Renewable Energy Technology
  1. Solar Energy
  2. Wind Energy
- Welding Technology
  1. Basic
  2. Advanced
