

Welcome Back, Ida Students and Parents!

This year has been a little crazy to say the least! I know this back to school stuff has been less than ideal for all of us, but I promise you we will do our best with the situation we have. Please click the link below to watch a presentation (8 slides) for more information about the school day, procedures, supplies needed, learn about me (your teacher), and get information for your upcoming Algebra and/or Math Lab classes.

[Ms. Gemmel's Open House & Meet the Teacher](#)

See you all soon! Enjoy the rest of your summer.

Ms. Gemmel
