

Yearbook

Mrs. Hogston

Welcome!!

This year, more than ever before, yearbook will be the most important class as we document the history of the 2020-2021 school year. I'm excited about the opportunity we have to capture the memories of this unique year.

This virtual open house will give you a brief overview of the class and details to Yearbook. A standard more in-depth syllabus will be posted on the Google Classroom and given in class.

Together we will work to make this school year one of the best!

Course Objectives:

By the end of this course, students will be able to:

1. Design pages on the computer using Online Design for submission to the yearbook company.
2. Take pictures using a digital camera
3. Write copy using correct language skills.
4. Work effectively as a member of a group.
5. Manage time effectively in meeting deadlines as they arise.
6. Effectively enhance digital pictures using Gimp.
7. Promote sales of business ads.

WE LOVE
YEARBOOK.

Yearbook Grading System:

This class involves cooperation, time management, and responsibility. All students will be expected to “pull their own weight” in order for the yearbook to be successful. Students will be expected to work together and communicate problems or concerns about the yearbook to the yearbook adviser, and editors.

DEADLINES: 40% of grade.

TASKS: 30% of grade

TIME (Time Management) Weekly Time Card: 30% of grade.

Location of the classroom:

The first week of class (9/8-9/11) we will be meeting in room 201 (Mrs. Hogston's main classroom).

The second week of class we will be in the yearbook computer lab (room 106).

Google Classroom Code:

Assignments and additional instruction will be posted on Google Classroom.

Each student should be in the Google Classroom by Friday, September 11th.

Yearbook: hs7xgyu

Communication:

- Both students and parents/guardians are encouraged to discuss any questions or concerns with me. Students are encouraged to ask for any extra help needed and self-advocate. Please note that I am able to check my email more often during the day than my voicemail.
- I will send emails through HAC updating parents and students on details such as lesson plans, assignments, etc. Please make sure to have the correct email address on file with the high school office (on the green registration/medical form) so you are getting the information.
- Yearbook student staff members will also be using the app GroupMe to communicate with each other regarding photo coverage of events.
- **Email: hogston@idaschools.org**

The 2021 yearbook is a blank slate. You will select the theme and cover of the book and create the living history of the school year while in this awesome class. We still have some room for a few more students to join us (we need a few freshmen!). See you soon!
