

# Ida High School

Welcome Back!

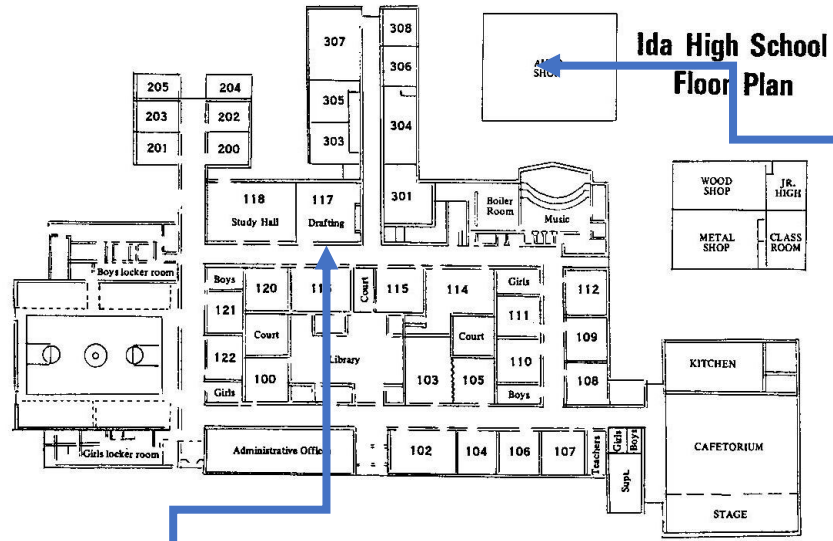

Mr. Morelli – Open House / New Student Information

For those of you who don't know me, I have included a picture of me and my family.

- Elective classes I teach are:
- Metals
- Welding
- General Drafting
- Technical Drafting

If you have me for METALS or WELDING your class will be in the welding shop. All drafting classes will be in high school room 117

---

Requirements for **all of my** classes:

bring a **pencil or pen** everyday to class.

Have a face mask or similar type of nose/  
mouth covering.

I will talk about more of the specifics for  
each class once I see you in person.

If you have any questions, contact me at:  
[morelli@idaschools.org](mailto:morelli@idaschools.org)

# Basic Drafting, Architectural Drafting, Technical Drafting

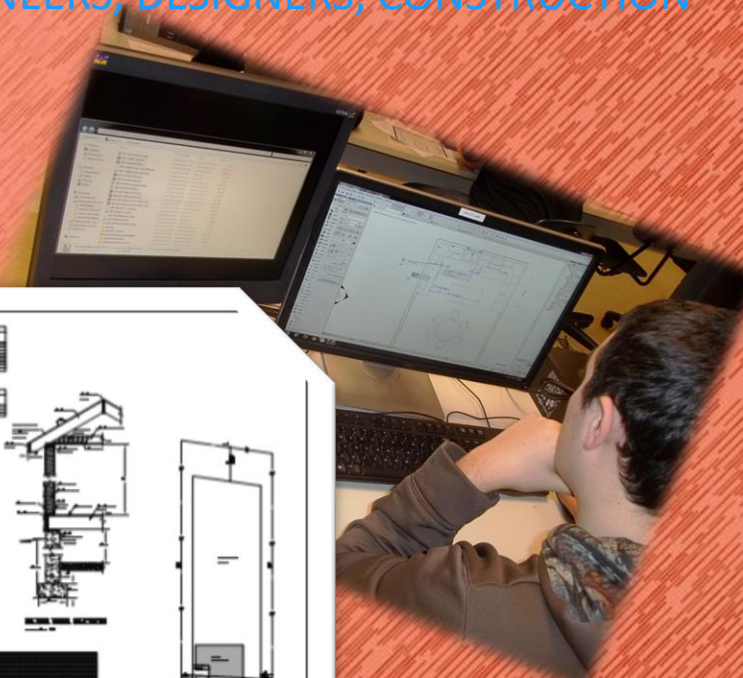

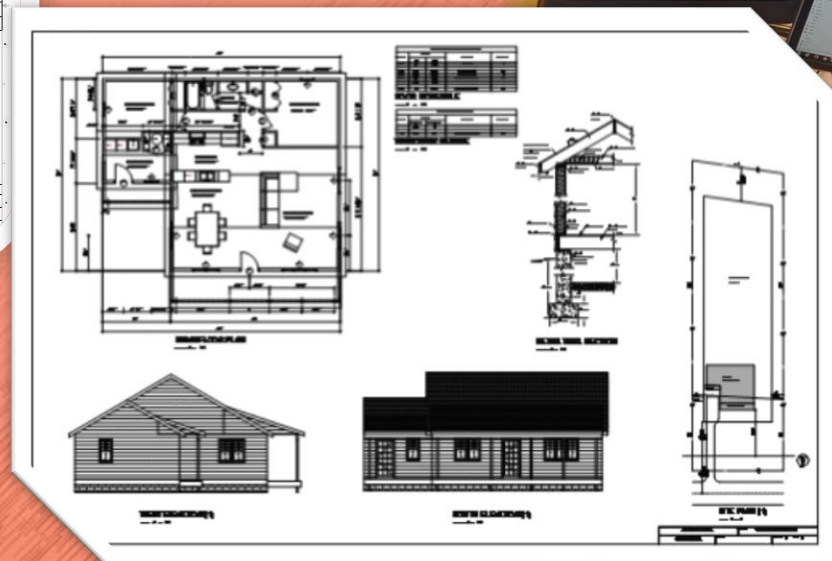

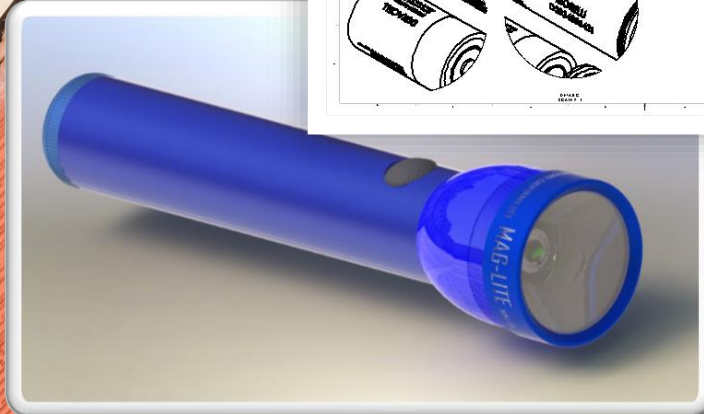

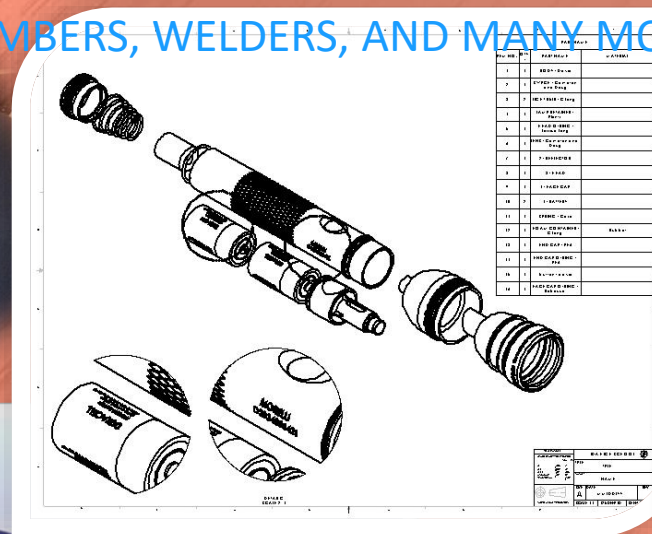

DO YOU ENJOY DRAWING? DO YOU LIKE SKETCHING OUT IDEAS OR DESIGNS?

WOULD YOU ENJOY DESIGNING A HOME? WHAT ABOUT DRAWING ON THE COMPUTER?

If you answered YES, then a drafting class may be for you!

**Drafting is a specific way of making drawings that will be used as the directions to create the things we use in our everyday lives.**

PEOPLE WHO USE DRAFTING SKILLS AS PART OF THEIR JOBS INCLUDE: ARCHITECTS, ENGINEERS, DESIGNERS, CONSTRUCTION WORKERS, ELECTRICIANS, PLUMBERS, WELDERS, AND MANY MORE.

# Metals, Welding 1, Welding 2, Welding 3

**If you have ever wanted to learn about or create a project using metal? If so, then one of these classes may be for you.**

**There are many job opportunities in the field of welding. Besides being a full time welder, other careers that use welding skills as part of their daily jobs might include:**

- ▶ Engineering
- ▶ Farm Repair and Fabrication
- ▶ Robotics
- ▶ Artist
- ▶ Racing
- ▶ Military
- ▶ Ironworker/ Skilled Trades
- ▶ Metal Sculpting
- ▶ Industrial Sales
- ▶ Maintenance
- ▶ Auto Technician
- ▶ Owning Your Own Business
