

# Welcome to Mrs. Reaume's Class!

---

English 4, Honors English 4, Basic English 4, Senior Seminar

# Before School Starts...

---

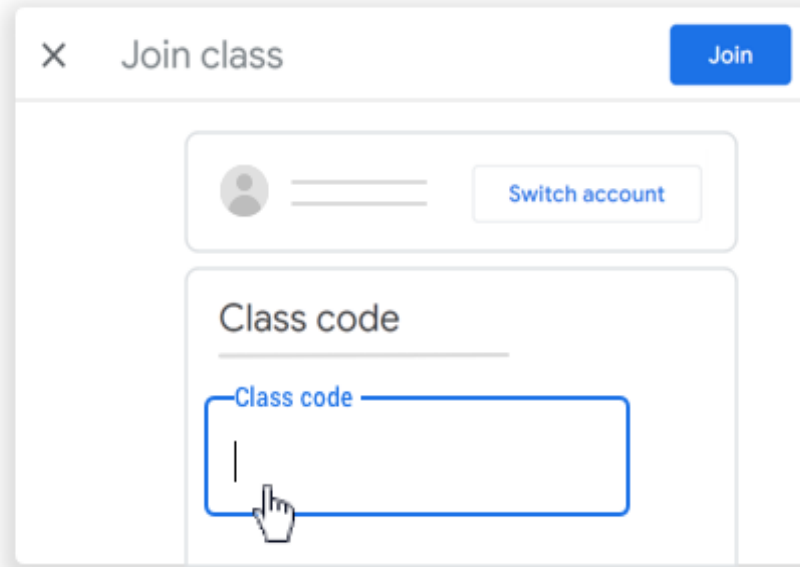

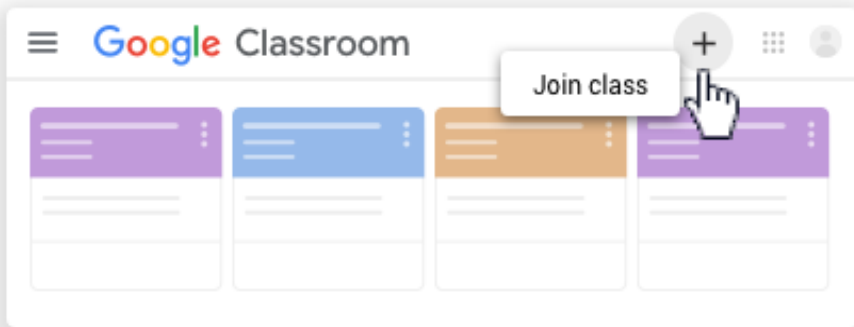

- Join your class in Google Classroom.
- This is very important because A Day students will only physically be in class one day the first week of school.
- The first day of school, for A Day students, will be virtual so I expect you to be logged in and doing work on September 8th.
- B Day students should join before school starts so I can go over Google Classroom with you on the first day.

# Google Classroom Directions

## Join with a class code

Your teacher can tell you the class code. After you get the code, follow these steps:

1. Go to [classroom.google.com](https://classroom.google.com) .
2. Make sure to sign in with the correct account. If you're already signed in and need to switch accounts, in the top-right corner, click your profile picture > select or add your account.
3. At the top, click Join class + .
4. Enter the class code from your teacher and click **Join**.

**Note:** Class codes are 6-7 characters, and use letters and numbers. Codes can't have spaces or special symbols.
