

## Suggested SCHOOL SUPPLIES For Ms. Black's Class

### Materials used individually on a daily or weekly basis

- **Homework folder—2 pocket (1<sup>st</sup> will be supplied by classroom and should last whole year as it is designed for such) \*\*This will be a plastic yellow folder provide by me.**
- 3 folders (1 for math, 1 for reading/writing, and 1 for science/social studies) If student attends any of these classes in general class, please check their list for what is needed. This is just for those who attend these classes with me.
- Pencils- (be sure to include extra lead if using mechanical pencils). 180 if your child is apt to lose, break, or destroy. This gives you 1 for every school day. ☺
- Erasers (consider pencil top erasers)
- Time Tracker/Agenda Book-MUST have each day (1<sup>st</sup> is provided by school-replacements are available for \$5.)
- Ear buds or headphones for use with computer, iPad, or other electronics if you want sound. These will be needed for computers class as well, MI Model, science classes, and ELA classes. These will need to remain at school.
- Deodorant if attending PE class. See below for body sprays.
- Water bottle if your child wishes to have water during class. Water bottles are allowed at all times and can have flavor packets. Flavor packets need to be used at home and mixed drink only brought to school.

### Materials shared by whole class

#### (I have a supply of some that can be used but appreciate help restocking)

- -Crayons/colored pencils.
- -Sharpener (if not mechanical pencils)
- -Washable Markers (NO permanent or Sharpies are allowed) both fat and skinny ones.
- -Highlighters
- -1-3 personal glue sticks
- - Paper-Loose leaf. 1 or 2 packages. OR spiral notebooks for writing. Consider extras if your child likes to draw or doodle.
- -3 boxes of tissues.
- Clorox type wipes

### Materials NOT allowed inside classroom.

- \* **Permanent markers/sharpie markers**
- \* **Pens** are discouraged in my class (regular and erasable). They may be allowed in other classes.
- \* **Body sprays/perfume** (check with PE teacher for use in locker room). Can be applied at home but please do not bring bottles to school for use during the day.
- \* **Notebooks/binders** that create noise when opened, such as the Velcro style and those with zippers, are not allowed during classroom time. (They may be kept in locker during day for taking things home.)
- \* **Cell phones, games, & other electronics** should be turned off and kept in your locker during the day. If not, it can be confiscated and turned in to the office for parent pick up. Please check with individual bus drivers to see if it's okay to use on their bus ride to/from school. (see school handbook for any changes to this rule) I will send home a note for special electronics days within our classroom. This usually occurs around exam times.
- \* Gum, candy, any caffeine drinks, etc. unless arranged with teacher (i.e. Birthday party or other special occasion).
- \* **ENERGY DRINKS/High Caffeine Pops** (Mt. Dew, Jolt, etc.) are not allowed at any time.
- \* **Toys**-unless allowed for special occasion or as part of a lesson (cars, figures, spinners, etc).
