

2023-2024 Math 5

Sandra Steinke

steinke@idaschools.org

734.369.9003 ext 2023

Materials required for class:

- Pencil with eraser
- 3 ring binder with 4 dividers
- colored pencils
- Highlighter

Provided material:

Big Ideas Math books (vol 1 and 2)
Chromebook

Topics to be Covered:

- Place Value
- Multiply and Divide Whole Numbers
- Add, Subtract, Multiply, and Divide Decimals
- Add, Subtract, Multiply, and Divide Fractions
- Numerical Expressions
- Converting Units of Measure (customary and metric)
- Calculating Volume
- Coordinate Plane
- Classifying Two-Dimensional Figures

Grades:

- Grades will be earned based on Homework Scores (Which will include completion of guided notes), Quiz Scores, Classroom Activities Scores
- Standard Grading Scale will be used
- Homework will be due the following day unless otherwise specified
- If a student is absent, they will have time equivalent to the length of the absence to make up the work. Students leaving on vacation will get the missing work upon their return.

Mode of Communication: I will mostly contact parents through email and students through Google Classroom and email. Contact will be primarily with the students and then parents as needed.

Modes of Instruction: I will be using Google Classroom often to post homework assignments. The work will be presented in different forms, including, but not limited to, videos, Google Apps, BrainPop, Pear Deck, Flip Grid, and online games. Assignments will be graded, points value will be on the assignment.

Structure of and Responsibilities for the Class:

Teacher responsibilities:

- Provide a range of learning opportunities, activities and lessons that meet the needs of all learners.
- Provide timely feedback on student work.
- Communicate regularly with students.

Students responsibilities:

- Come to class with all needed material, prepared to participate and learn
- Read ALL directions for ALL assignments.
- Complete your assigned work **by** the due date.
- Ask for help when you need it or don't understand something.
- Be respectful to yourself, teachers, and peers.

Parents responsibilities:

- Review work assigned to the student. **Trust but verify** that students are doing what they say they are.
- Reserve a space for students to complete learning work at home.
- Encourage students to get enough sleep.
- Set sensible time limits for technology use.
- Talk to students about their work every day.
- Help students establish and follow regular daily routines.
- Please check grades on Infinite Campus.
