

Attention Parents!

Bus Stop Information

Ida Public Schools will be switching bus routing software during summer break to EZRouting. If you need any bussing services for the children in your household, guardians will be required to register their children for the upcoming 2022-2023 school year. Please be attentive to the Infinite Campus Messenger announcement that will be sent out during summer break. This will provide detailed information how you can go online and register.

No action is needed at this time...***BUT*** here are a few things to start thinking about:

- **Names & Addresses** of bus stops, daycare, babysitter
- **Schedule**: everyday, morning only, afternoon only, M/W/F, etc.
- **Guardians**– please **verify that your CURRENT phone number and email address is listed correctly in Infinite Campus Parent Portal**– this will ensure you have access to EZRouting when it becomes available.
- If you do not have access to Infinite Campus Parent Portal, please contact your building secretary

Questions or concerns can be presented to:

John Elkins
Director of Transportation
269-9003 ext. 4001

Alicia O'Dell
Transportation Secretary
269-9003 ext.4003
